Purpose and Contents of This Map

The purpose of this map is to provide a detailed representation of the area, including designated roads, trails, and other important features. It is intended to assist users in planning their activities and ensuring compliance with regulations.

Prohibitions

All vehicles are prohibited on designated trails, except as noted. This includes off-road vehicles, motorcycles, and bicycles. The map highlights areas where such vehicles are not allowed.

Operator Responsibilities

Read and understand this map in its entirety. If you are on a temporary basis to protect the life, health, or property of others, you must follow the same regulations as permanent users.

Explanation of Legend Items

- **Special Use Permits**: These are required for certain activities, such as trail maintenance or research.
- **Wilderness Areas**: These areas are protected and managed to preserve their natural character.
- **Dirt Road**: These are unpaved roads that require additional caution when driving.

For more information on responsibilities and regulations, refer to the US Forest Service guidelines.
